

Family Faith Formation Monthly Gathering Schedule 2023-2024

Below are the dates for the monthly sessions and a list of the topics that will be covered in each session. These topics work in conjunction with the Liturgical season and the Pflaum Gospel weeklies for that month. Each monthly meeting will be the same from site to site. If you cannot make your usual time, let Jen know where you will be attending that month so there are enough materials! If you need to jump around month to month - no problem! Just let Jen know where you will be.
